Dear Grade 6 & 7 Parents/Guardians:

The volleyball schedule has been finalized and the coaches/sponsor teacher, Kevin Clegg, James Chan and Ms. Loungsay will need support with transporting students to and from games. Please view the schedule to see if you are able to support transportation of students. Please indicate the number of students you can transport to and/or from the game (students cannot sit in the front seat of a vehicle).

Players will need to leave for away games immediately after school and will come back to the school by 4:30. If your child is being driven by another parent, please make sure that arrangements have been made to pick them up promptly at the school. If your child is walking home, please indicate below.
